Dry Carpet & Upholstery Cleaners

*Your  
new life  
starts here*

## ***Zero Dry Time – A highly rewarding career with excellent earning potential.***

Don't be confused, Dry Carpet & Upholstery cleaning may not be what you think, new technology and products has changed the way we work forever.

No more, on your hands and knees, back scrubbing, dirty water carrying days of the past, the Zero Dry Time system will enable you to give people what they want, dry carpets and upholstery ready for immediate use.

### ***Zero Dry Time – The perfect Solution***

Here is a question, who do you know that does not have carpets, upholstery, leather in their home, now think about the commercial world, hotels, offices, schools, children's nurseries, pubs and clubs these facilities all have to be cleaned at some time.

Imagine this, if you were having your carpets cleaned would you like to be told that there fresh, dry clean ready to go for immediate use or their damp, please keep your children, pets and furniture off with the heating on until they are dry.

Or imaging this scenario you're a busy hotel manager operating 24/7, the carpets need cleaning but you cannot close rooms or cordon off corridors for hours, this would cause inconvenience and lost revenue.

*Hotel rooms clean dry ready for immediate occupancy*

*Reception areas and function rooms – No inconvenience to guests and down time for staff.*

*Elevators – Entrances and exits, no need to cordin off areas*

People demand more from a service, business are open longer and require to more efficient in today's completive world. But most off all they want to save their most valuable commodity, that is time.

Time saved in any business goes to their bottom line, by saving businesses time and money whist delivering a high quality service you will succeed in building a loyal customer base that will keep them using your services and referring you to more loyal customers, therefore building a highly lucrative business.

## *Dry Carpet and Upholstery Cleaning*

Dry carpet cleaning is not only environmentally safe but leaves carpets smelling fresh and clean ready for immediate use. Your customers will be amazed they cannot believe their carpets smell fresh and look clean without using water or harsh chemicals.

Using state of the art products and equipment including the world's most powerful dry carpet cleaning machine available today. You will have the ability to clean almost anything anywhere in any situation.

### *Upholstery, leather and suede*

Super fast drying using state of the art equipment you will be able to leave upholstery clean, fresh and dry.

Leather cleaned, recoloured and reconditioned leaving it soft, supple with a rich leather aroma, smelling like new.
